STABILITY CERTIFICATE

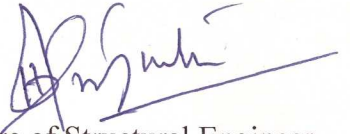

This is to certify that the building known as "SHANTHINIKETAN HIGH SCHOOL", located at H. No. 4-4/A/B/C/D, Survey No. 18 (Part), with a total plot area of 1000.00 Sq. Yds. (836.00 Sq. Mts.), situated at ISMAILKHANGUDA Village, Ghatkesar Mandal, Medchal-Malkajiri District, Telangana State, has been inspected and evaluated for structural safety.

The building comprises a Ground Floor, First Floor, and Second Floor, constructed using RCC (Reinforced Cement Concrete) column structure. Based on a Visual inspection and assessment, it is certified that:

- The construction is structurally sound and stable.
- The structure is well-suited for use as school classrooms and ensures adequate natural lighting and ventilation.
- Fire safety equipment such as fire extinguishers are available and in place.
- The building has been constructed in compliance with the relevant norms and specifications laid out under the Telangana State Educational Rule G.O. M.S. No. 1.

Hence, the structure is deemed safe and stable for its intended educational use.

Signature of Structural Engineer

Cell : 9703803972, 8121002065

Terms and Conditions

1. The certificate is based on visual inspection and does not cover hidden structural defects.
2. It is valid for 1 year, subject to no structural alterations.
3. It applies only to the building's current use as an educational institution.
4. Regular maintenance and rule compliance are the responsibility of the school management.
5. The certificate is based on visual inspection and available structural drawings.
